

Councils on Developmental Disabilities:

-  Promote independence, productivity, and employment for people with disabilities
-  Cultivate systems change that eliminate inequities for people with disabilities
-  Work to create and strengthen communities where people with disabilities are naturally included
-  Educate and advocate with policy makers, professionals, and the public about the disability community

Almost 20% of
adults in Utah*
live with a
disability

Our Goals:

Our Partners:

-  Utah Parent Center
-  Disability Law Center
-  Utah State Office of Rehab
-  Division of Services for People with Disabilities
-  Governor's Committee on Employment of People with Disabilities
-  Utah Department of Health
-  Utah Department of Substance Abuse and Mental Health

-  Support the increase of access to, and use of, health services for people with disabilities and their families
-  Collaborate with initiatives to increase awareness of employment opportunities for people with disabilities
-  Build leadership, self- and community-advocacy skills of people with disabilities and their families
